Modern garden centres built on a tradition of excellence

Look back down our family tree and you will see that Squire's is firmly rooted in a love of helping things grow.

Founded by landscape gardener D.J. Squire in the 1930s, we are still gardeners at heart. Our experts are passionate about helping you make the most of your outside space, whether it is a well-established garden or a compact patio.

But it is not just plants we love to nurture. With garden furniture and BBQs, pets and aquatics, great food, gifts and crafts, it is our mission to sow the seeds of a great day out.

Whether you are popping in for some bedding plants, stopping by for a coffee or bringing the little ones for a craft session, you will see that we have spent the last nine decades cultivating places you will want to keep coming back to.

While we have moved with the times, we have always tended our roots, committed to giving our communities a place where they can reconnect with nature, their neighbours and each other.
